Brian Paterson, Sam Rogers

Webmaster - Adam Fleischer

Exhibit Co-Chairs - Bruce Pratt, Bill Elliot

Newsletter - Adam Fleischer

EBS Member Tree

Editor's Note

Greetings EBS Members! Its been awhile since I issued the last newsletter, and I wanted to talk shortly about the reason why. On May 25th, my wife and I welcomed into the world our first child, Kyle Jeffrey Fleischer. So for the past 4 months we have been navigating the joys of parenthood and loving every minute of getting to know our son.

Now that we've reached a bit of a routine I'm able to devote marginally more time to things like newsletters and websites. Its times like this I wished I had more time (and energy) in the day; that way I could devote as much to hobbies as parenthood.

But the reality, as other parents probably already know, is that my newsletters will likely be abbreviated for awhile, and lest you still wonder why...take a look at the end of the newsletter and it should become quite clear.

2017 Workshops

Please bring your own tools, supplies, and anything else you may need for these workshops. Club wire can be purchased onsite for an additional \$15.

All workshops will be from 9am - 4pm at the EPUD building (33733 Seavey Loop Road, Eugene 97405).

Casual observers are welcome to attend at no charge.

Saturday, March 18th

President's Message

Hi everyone, it has been such a long time. My apologies for that. Life gets in the way some times.

Moving forward, congratulations to Brian for a fantastic presentation to over 40 people interested in bonsai at Johnson Brother's Greenhouses Saturday the 23rd! He presented information about bonsai while I styled a tree which we raffled off when done (see picture below). It was very well received by the community and Caleb and Katie Johnson. They would like the club to come back again. We had tons of questions from the group and hope to see many of them at our next meeting.

Along with the presentation Johnson Brothers is now selling bonsai tools, pre-bonsai, fertilizers and possibly Akadama. They really want to support our community.

Next up is our selection of board members for next year. If you are interested in being on the board please let me know as soon as possible. There are several openings to fill! I'm looking forward to seeing you all on Thursday the 5th of October!

-Rae

Next Meeting

Even though we've had record heat this year, Mother Nature gave us a sneak peak at what's around the corner last week with chilly temperatures and lots of rain. What better time to talk about Preparing for Winter! Come join us as we cover the do's and don'ts of winterizing your delicate little trees.

Pottery Potluck

EBS's inaugural Pottery Potluck generously hosted by Sam was a huge success! Members gathered and got to try their hands at designing their own bonsai pot. Below are some pictures of the event. A BIG thank you goes out to Sam and Kristie for opening up their home and organizing the event!
